Mouse mat with wrist rest

Non-slip mouse mat with wrist rest

The Gecko non-slip mouse mat with wrist rest provides a smooth surface for your mouse so you can operate your computer with improved control, precision and comfort. The non-slip rubber base ensures the mouse pad grips firmly to any flat surface while the inbuilt wrist rest improves the ergonomics of your workspace. Made from high quality rubber combined with a comfortable cloth top, the Gecko mouse pad is the perfect companion for your mouse.

- Suitable for use with all mouse types, such as optical and mechanical mice
- Ergonomic wrist rest
